

From Madagascar to the World An Ethical and Controlled Export Approach

Who Are We?

EKL Export is a Madagascar-based company that specializes in exporting raw, semi-processed, and processed agricultural products to international markets.

We achieve this through direct sourcing, a strong on-the-ground presence, and a structured team that manages the entire export chain, from producer to port of arrival.

We're dedicated to building long-term, reliable partnerships with international buyers who seek traceable, competitive, and well-packaged products.

Our Export Products

Currently Available Products:

Spices

Heavy black pepper,
White pepper, Pink
peppercorn, Ginger,
Turmeric, Cinnamon,
